

Code of Ethics

Salazar Insurance & Financial Services, LLC.

I will analyze the insurance needs of my clients, and to the best of my ability, recommend the coverage to suit those needs.

I will render service to my clients with honesty, efficiency and integrity.

I will strive to provide the public with a better understanding of insurance.

I will always work diligently to satisfy clients' needs by acting in their best interest.

I will help maintain client's confidences and protect their right to privacy.

I will take my responsibility as a licensed insurance professional seriously. Be loyal, skillful, caring, act in good faith and fair dealing, and provide full disclosure to clients.

I will continue to enhance my professionalism by developing my skills and increasing my knowledge through education.

I will respect my clients, supervisors, and colleagues.

I will obey the law and follow carrier policies for conducting business.

I will avoid conflict of interest, honor my commitments and obligations, and act within the scope of my authority.

I will hold myself accountable for my actions.

I will never give legal advice.
